

A2000 Finances and Fundraising Report

Submitted by Jackie Cabasso, Coordinating Committee member and Executive Director of
Western States Legal Foundation, Abolition 2000's fiscal sponsor
Abolition 2000 AGM; July 23, 2022

Western States Legal Foundation, based in Oakland, California USA serves as Abolition 2000's fiscal sponsor.

At present Abolition 2000 relies exclusively on voluntary donations from member groups and individuals.

As of July 23, 2022, Abolition 2000 has \$2,272 in its bank account. At a minimum, our expenses include maintaining the website and paying for the Zoom platform that is allowing us to hold this online Annual General Meeting and host webinars. We also contribute 1,500 Euros (\$1,780) annually to the Abolition 2000 Secretariat to help cover staff time. (See details below.)

Abolition 2000 truly operates on a shoestring budget, and if we raised more money, we could do more.

Consider how much you would have had to spend to travel to New York City and stay there during the NPT Review Conference, and please donate a small portion of that amount to Abolition 2000 to support our ongoing efforts to help you abolish nuclear weapons!

In the past we have asked for voluntary member group dues, which have largely fallen off. **We would like to ask member groups now to reinstate their voluntary dues if they are able.**

You can make a donation using PayPal (click on "Add special instructions to the seller" and type: ABOLITION 2000), make a bank transfer, or write a check in U.S. dollars, but please contribute whatever you can! Even a small donation makes a difference. *THANK YOU!*
